

Hours in the Saddle

The MAPFHA *Hours in the Saddle* program's purpose is to recognize, at the regional level, the hours our member's spend riding.

Hours in the Saddle Program Rules:

Rider must be a current MAPFHA member.

- A single combination of horse and rider must be the same throughout the year. Separate hours must be tracked and maintained for EACH horse.
- The cost of this program is covered by a MAPFHA Membership.
- Any gaited equine is eligible.
- Hours can be accumulated anywhere you are actively riding: trails, roads, competitions, arenas, round pens, etc.
- Participation is easy to track using the [digital Hours in the Saddle Log Form](#). Whether you ride slow, medium or fast, all are welcome to participate. This program is based on the honor system. Anyone knowingly falsifying information will be automatically disqualified. You will be denied future enrollment in this program.
- Only hours accumulated after receipt of MAPFHA membership count.
- Hours will be logged from January 1 - December 31, no entries will be accepted after December 31st.
- Hours rounded to the nearest quarter hour.
- 1st thru 6th place winners recognized at the annual meeting, determined by most hours logged riding.
